Honorable Charles H. Percy
Chairman, Subcommittee on Energy, Nuclear
Proliferation and Government Processes
Committee on Governmental Affairs
United States Senate
Washington, DC 20510

Dear Senator Percy:

Thank you for your letter of 18 May 1982 in which you requested information pertaining to International Atomic Energy Agency safeguards. In view of your urgent need for this information, I have ordered senior Agency officials to provide you and your staff with a comprehensive briefing on this topic at your convenience. I can assure you that any questions you may have will be answered fully and completely to the best of our ability to provide a response.

Any finished intelligence pertaining to your request will also be provided for your use. Because the raw intelligence reports which have been requested reveal extremely sensitive sources and methods, I have asked that the substantive content of those reports be included in the briefing. This will insure that your need for substantive information will be met.

I have asked [redacted] Associate General Counsel, to make appropriate arrangements with your staff. He can be contacted at [redacted] If I can be of any further assistance, please let me know.
